In re: Grotto v. Rubin & Rothman, LLC and Capital One Bank
CV11-3483

Dear Judge Cogan:

I am requesting that the Status Conference set for Tuesday, September 6, 2011 in the above matter be adjourned. There have been no previous requests for adjournment. Mr. Robert Arleo, Esq. will be representing Rubin & Rothman and I have agreed to extend time to file a responsive pleading in this matter through September 15th. Mr. Arleo consents to the adjournment. Capital One has contacted me via a litigation specialist in house but not through counsel at this point.

I am a municipal public defender in Pine Hill, New Jersey and normally handle those matters on Tuesday nights. However, the Court changed the hearing time on September 6, 2011 to a morning court and I have over twenty (20) cases. I would prefer to adjourn the above matter rather than have to reschedule the public defender matters. I did circulate the Description Letter and a proposed Case Management Order.

Thank you for your consideration of this request.

Respectfully submitted,

/s/Bruce K. Warren.
